ANNUAL REPORT OF UNION FREE LIBRARY

The Union Free Library received a new look this year when the Trustees donated their time and painted the interior, including the ceiling.

We have added 303 books to our shelves this year which helps to update our Reference section. As the Union Women's Fellowship once again sponsored a Reading Contest, we have also added many Biographies.

In April, the Library in conjunction with the Fellowship, sponsored the Caravan of Music and Dance offered by the Players of UNH as a community service for the children. It was presented in the Grange Hall to about 100 children and adults.

In August, the Peaslee and Palmer girls presented an original puppet show for the small children of the community.

In October we held a book and food sale to add to our furnace fund.

The book, A Pictorial View of New Hampshire, was presented to the Library by Miss Marjorie Banks in memory of Polly McKinney's devotion to the Wakefield-Brookfield Historical Society.

Our circulation for the year was 3,141. The Bookmobile visited us twice leaving 560 books.

During Hobby month, the Trustees displayed four different hobbies which was most interesting.

We are grateful to the following people for gifts of books: Lana Harris Black, Margaret Kimball, Mabel Stevens, Blanche Wentworth, Maude Woodman, Lettie Clayton, George Parker, Eleanor Eastman and the Gafney Library. We also appreciate the use of several books loaned by Helen Abbott and Karen Pratt.

I am always willing and available to open the Library at any time for students or others needing special reference or other books.

ELEANOR EASTMAN, Treasurer

WAKEFIELD LIBRARY ASSOCIATION

In February of 1977 our beloved President, Mrs. Carlton Spencer, died after having been ill for several months, she took great interest and pride in the library.

At the July meeting of the Board of Trustees, the following officers were elected. Mrs. Charles Faris, President; Dr. Frank Heck, Vice-President; Mr. Alden Young, Secretary-Treasurer; and Mrs. Richard Leonard, a new member. It was voted at the meeting to plant shubbery in front of the library in memory of Mrs. Spencer. This has been done.

Gifts of books were received this year from Mrs. Herbert Johnson and Miss Hazel Morgan.

The Wakefield Library is open on Wednesday afternoons and enjoys a good circulation. New books are added regularly and the old books are a source of enjoyment and information. One frequent source of research material is our National Geographic collection. It begins with January 1907 and runs to the present day with only six editions missing.

This has been a good year and we anticipate a busy 1978 with our many summer-resident friends returning.

Best wishes for a Happy 1978 to all.

REPORT OF THE VISITING NURSE ASSOCIATION OF WOLFEBORO AND VICINITY

Again, as in past years our agency is showing expansion of services in the seven towns we are visiting.

3,111 Nursing visits and 623 Physical Therapy visits were made. Our contract with Carroll County Health and Home Care Services continues in effect and 3,934 hours were spent in the homes giving personal care and doing homemaking and light housekeeping duties. Adult Health Screening Clinics for detection of High Blood Pressure and Diabetes are now being held quarterly in several towns, as well as at our table in the Rescue Squad tent at the Huggins Hospital Street Fair. Our planned Immunization Clinics are increasing in number and are being well attended.

One of our biggest changes has been that of our name from Public Health Nursing Association of Wolfeboro and Vicinity, Inc. to Visiting Nurse Association of Wolfeboro and Vicinity, Inc. since Visiting Nurse better describes our function.

We again gratefully acknowledge all contributions to our Fund Drive, Memorial Fund and other donations. Your support is vital for the continuation of our services. It has been pleasant knowing and serving everyone and we are looking forward to continuing health care services in your homes.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of $\frac{1}{4}$ of 1% of the assessed valuation of the town are assumed by the state.

The State provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

1977 Forest Fire Statistics

	No. of Fires	No. of Acres Burned
State	1,091	2,386
District	124	65 $\frac{1}{2}$
Town	11	8 $\frac{1}{4}$

EXECUTIVE COUNCILOR

As Executive Councilor for District One which covers 62% of the State of New Hampshire (102 towns and 3 cities), I am pleased to submit this short report to the citizens of your town.

The Executive Council of New Hampshire is elected from five districts portioned by population. The work of the Council has been described as similar to that of a board of directors for State business. The New Hampshire Constitution provides that the Council shall from time to time advise the Governor in the affairs of State. State law as passed by our General Court mandates much of State Government to be acted upon "with advice and consent of the Council."

Our meetings in the State House Council Chambers are open to the public, and I would welcome having any citizens from our District attend any of the meetings.

The responsibilities of the Governor and Council are so diversified as to defy any attempt at exact classification. Their activities extend to the appointment of certain public officials, to a general supervision over State departments, to State expenditures, to pardon matters and to a variety of other duties . . . State officials and employees, State fiscal matters, pardons, commutations and reprieves, eminent domain and related responsibilities, State contracts and leases, public waters, State industrial and recreational interests and miscellaneous responsibilities.

From time to time, as Councilor if I can be of help to cities, towns, counties, agencies and individuals, I stand ready to do so especially if the problem or concern has to do with State government. However, as many of you know, much of our government, at the local level, is funded by not only local dollars but State and federal monies are many times involved which means that several levels of government are involved. In such cases we must turn to our local town administrative assistants, regional planning commissions, county officials and others for help and guidance.

I can generally be reached by writing or calling my home office (R. F. D. #1, Woodsville, N. H., 03785, telephone, 603-747-3662) or in care of the Executive Council Chambers (State House, Concord, N. H., 03301, telephone 603-271-3632).

RAYMOND S. BURTON,

Executive Councilor, District One
